SAN DIEGO COUNTY ASSESSED VALUES, PROPERTY CHARACTERISTICS, AND MAPS

You are now leaving the San Diego County Assessor/Recorder/Clerk's website and will be taken to a website hosted by ParcelQuest, a vendor under contract with the Assessor/Recorder/Clerk's office to provide services to you.

Users visiting the ParcelQuest website may access information from the Assessor/Recorder/Clerk's official records as well as information provided by ParcelQuest directly. Customers may conduct up to 25 searches in any 30 day period free of charge. Searches in excess of that threshold may require a subscription to Parcel Quest's data services. Recorded Documents and other property related reports are also available for a fee. The fees charged by ParcelQuest may be more or less than the fees charged by the Assessor/Recorder/Clerk's office or other agencies. Documents purchased through the ParcelQuest website will be immediately available electronically. Documents purchased directly from the Assessor/Recorder/Clerk's office will be sent to the customer via U.S. Mail. Certified copies of documents are only available directly from the Assessor/Recorder/Clerk. Assessed value information is always available free of charge through the Notification of Taxable Value link on the Assessor's homepage.

Assessed Values, Property Characteristics, and Assessor Maps are considered to be accurate at the time they are posted. This data can and will change without notice. It is the responsibility of the recipient of this data to verify its accuracy and determine whether the information meets their needs prior to making any judgments or decisions based on this information. The Assessor's Office does not warrant that the information should be relied on for any purpose.
